

Introducing **MODEL CAREER CENTRE** a real exchange platform for job seekers and job providers

Model Career Centre (MCC)-Thiruvananthapuram is a joint venture of National Employment Service (Kerala) and National Career Service India. This is a new initiative of the Directorate General of Employment and Training (DGE&T), Ministry of Labour and Employment, Government of India to provide career service and guidance to the unemployed youth across the country in order to reduce un-employment in our nation.

- DGE&T has developed a nationalized free Job portal **www.ncs.gov.in** and 100 Model Career Centers as a real exchange platform for job seekers and job providers. Currently, the portal has more than 35 million job seekers registration and every MCC has access to it.
- The MCC Thiruvananthapuram is well connected with other MCCs located in all other states of our nation.
- Once a **Jobseeker** visits the Centre, the counsellors/faculties in the Centre will guide him/her to choose a right career path to attain a good job.
- For **Employers**, the Centre will assist them to find right candidates to right jobs. On the request of employers, the MCC arranges/conducts job events such as Placement Drive, Job Fair, Walk-in Drive and Campus Drives etc..
- The Centre welcomes any potential Establishments/Industries/Employers to tie up for modern services.
- These services are free for both Employers and Job Seekers.
