The Principal
Institute of Hotel Management

Sir,

In order to safeguard the larger interest of students and career progression, academic evaluation of students is very important. Performance in examinations gives confidence and satisfaction to the students and is a reflection of competence, performance and credibility that is necessary for global acceptability. The UGC and IGNOU have recommended examinations for terminal/ final semesters for Universities, notwithstanding the emergent situation related to COVID-19 pandemic while safeguarding health and safety of students.

Competent authority for NCHM&CT has also approved conduct of online examinations for BSc Semester-VI & V (Supplementary) and MSc Semester - IV for affiliated Institutes of Hotel Management for 2019-20. The NCHM is in the process of finalizing these online examinations which will be in the form of MCQs/ short answer type questions and would be held in the month of September 2020.

Meanwhile, Institutes are requested to collect and confirm email, mobile phone numbers of all these candidates (regular and re-appear) while ensuring submission of complete mid-term and Research Project marks to NCHM.

Concerned Students may be informed accordingly to keep themselves ready for the forthcoming Examination. They will be able to appear in the on-line exam from home by using Laptop with Internet connection or by using the Android based Mobile phone with net.

Kindly await further instructions from us on the online examination.

Thanking you,

Yours faithfully,

Satvir Singh
Director (Studies)
