Dear Principal,

The Joint Consultative Committee JCC meeting between NCHM and IGNOU was held recently under the Chairmanship of VC IGNOU. One of the items for discussion pertained to conversion of IHMs as IGNOU examination centers, and operate as any other regular examination center of IGNOU wherein students of all other programs of IGNOU will also be accommodated and exams for which continue till July.

The other option, has therefore been agreed upon wherein from the forthcoming End Term Examinations, IHMs will NOT be the centers for IGNOU exams. Students of BHM and MHA programs would be required to indicate their preferred IGNOU Examination Centre, which will be other than their institute of study, as per list of IGNOU examination centers attached (*Tentative Exam Centre List pdf*)

This can be done by going to the IGNOU website and filling the Examination Form, where the candidate can indicate the Exam Center with Center Code and Address. Details regarding location, address and code are provided in the attachment having 755 centers across the country. Fee can be paid online through the IGNOU portal.

Regards
Director (Studies)
NCHM&CT
